

Lilly Cares® Foundation

2025

ANNUAL REPORT

What a great job your team does. Everybody is so conscientious, so professional. I feel like I'm talking to a friend. You're amazing and that's an understatement. When I found out the cost would be nothing, I just cried. **You just don't know how appreciative I am.**

-Patient enrolled in Lilly Cares

 **In 2025, Lilly Cares Foundation continued its decades of support to Americans in financial need providing more than \$3.3 billion in donated Eli Lilly and Company medications to 138,000+ patients at no cost during the year.**

This year also brought the addition of Inluriyo™ for the treatment of breast cancer to the oncology medications available through the Lilly Cares Foundation Patient Assistance Program (Lilly Cares), and ongoing availability of Omvoh® with an expanded indication to treat Crohn's Disease, potentially allowing more patients to benefit from this innovative therapy through Lilly Cares.

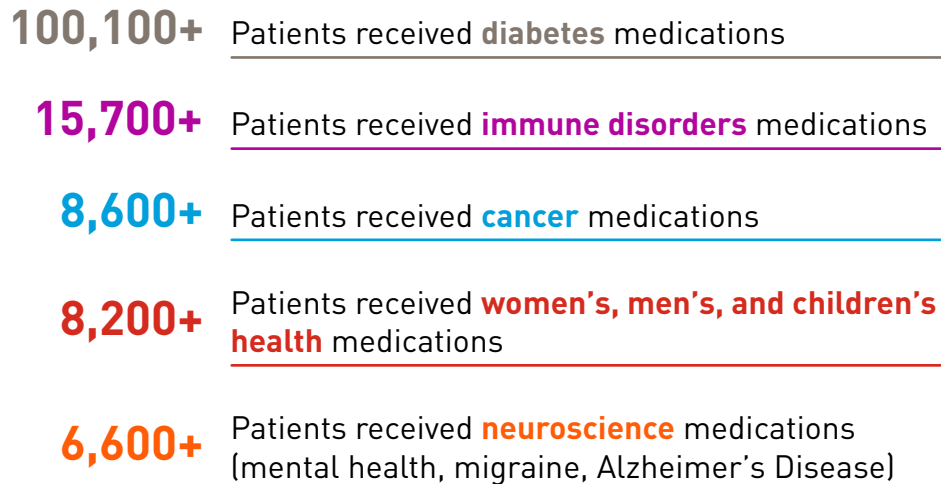

At the heart of Lilly Cares Foundation is a simple but powerful purpose: enabling patients facing economic hardships to prioritize their health.

I hope you find this annual report helpful and informative. Please visit lillycares.com for more information about Lilly Cares Foundation.
